## ANNUAL REPORT 2020-2021

# MESSAGE FROM CHAIRMAN

I am now much confident that **Abhilasha Aid Society** is spreading the knowledge and awareness in various parts of the India and we are getting very positive result from it. There are various challenges exist around us on which we have to victory.

The only solution to these issues is that we should make human rights a default part of Indian social awareness and concept. This will not be successful unless and until we change our internal thinking.

I am confident that **Abhilasha Aid Society** will succeed in spreading the knowledge and awareness in Indian society.

**Abhilasha Aid Society**

# GENERAL HEALTH CHECKUP CAMP

We organised health camp(morning. A small function preceded the check up where Treasurer addressed all the women who had come to attend the camp. He talked about the importance of good health and how the good health of the woman of the family can mean the good health of the whole family. He acknowledged that women play a great deal of roles in their lifetime and the people around them are greatly dependent on the women for a safe and healthy lifestyle; may it be as a mother, wife, daughter, sister, etc. Thus, it is very important that women give importance to themselves, and take more care of their own self so as to work towards a healthier and holistic society as a whole.

# VOCATIONAL TAILORING TRAINING

To increase Adolescent Girls and Widows participation in alternate employment opportunities of Development. The main objective of the Project is to provide Income Generation Training on Tailoring and Embroidery to the Rural Women for their self-reliance and self-employment which support them Physically, Socially and economically and psychologically and to mold themselves as an active member of the community with all kinds of participatory functions.

# EDUCATIONAL COUNSELING

The mission of the Abhilasha Aid Society School Counseling program is to prepare school counselors to become leaders, advocates and systems change agents in our diverse schools. As an integral part of the total educational program for student success, school counselors learn to design, develop, implement and evaluate their comprehensive school counseling program to ensure that every student receives developmentally appropriate competencies in academic, career and personal/social development. School counselors become professional student advocates who promote equity and access to a rigorous education for every student and who work to prevent and remove barriers to learning. Our School Counseling graduates develop themselves as culturally competent leaders in educational reform and social justice in the schools and communities they serve.

# HEALTH AND NUTRITION COUNSELLING

To provide work from a non-dieting and health at every size approach with a focus on health and overall well-being, we will work with you in a non-judgmental way to meet your unique needs and address your nutrition and health concerns.

The organization provided free health checkup for the poor, needy people. We are encouraging people to be aware so that they can avail these facilities. Increase as much as possible.

Thank  
you!
